Professional Summary

Mathematics & Computing undergraduate at Shri Mata Vaishno Devi University with a CGPA of **8.85/10**. Strong foundation in Data Structures & Algorithms, Artificial Intelligence, Data Analytics and responsive Web Development. Experienced through the Tata GenAI internship and Thiranex Web Development Internship, building accessible, SEO-friendly and responsive applications.

Education

Shri Mata Vaishno Devi University (2024–2028)

B.Tech Mathematics & Computing

CGPA: 8.85/10

Experience

Web Development Intern | Thiranex (27 Jun 2026 – 26 Jul 2026)

- Developed a semantic multi-page portfolio website using HTML5, CSS3 and JavaScript.
- Implemented WCAG accessibility, ARIA labels and SEO meta tags.
- Built responsive layouts with CSS Grid, Flexbox and mobile-first media queries.
- Created an accessible contact form and reusable CSS architecture.
- Developed a To-Do application with CRUD, Local Storage and DOM manipulation.
- Worked with asynchronous JavaScript, Fetch API and REST API concepts for a Weather Dashboard.
- Applied Git/GitHub workflows and prepared for deployment of a production-ready capstone project.

GenAI Powered Data Analytics Virtual Intern | Tata Group (Jun–Jul 2025)

- Performed exploratory data analysis and customer risk profiling.
- Built AI-assisted delinquency prediction workflows.
- Created business reports and data storytelling dashboards.
- Learned enterprise AI-driven collections strategy.

Projects

AI Medical Memory System – AI assistant retaining conversational context for healthcare interactions.

RhizoSenseBio – AI-driven crop and root health monitoring concept with smart recommendations.

Smart IoT Safety Monitoring System – ESP8266-based industrial monitoring with gas/temperature sensing and alerts.

Personal Portfolio Website – Responsive, accessible, SEO-optimized portfolio using semantic HTML5, CSS3 and JavaScript.

Technical Skills

Languages: C, C++, Python, Java, HTML5, CSS3, JavaScript

Core: DSA, OOP, DBMS, Operating Systems, Computer Networks, Theory of Computation, Computer Organization, Probability & Statistics, Linear Algebra

Tools: Git, GitHub, VS Code, Excel, NumPy, Pandas

Certifications & Achievements

- Tata GenAI Powered Data Analytics Job Simulation
- Built multiple AI, IoT and Web Development projects
- Developed an accessible portfolio website following WCAG standards
- Consistent academic performance with CGPA 8.85/10
- Languages: English, Hindi
